

These pages are designed to reinforce your Pre-K Concept Book Beginning Sounds Lessons. Use the following skill development pages at your beginning sound center to review the skills of identifying beginning sounds, circling matching pictures that begin with the same sound, crossing out pictures that do not begin with the same sound, coloring within the lines, and name writing. Send these pages home each day so parents can review the skills being taught.

Magic Penny Reading Pre-K Concept Book Skill Development for Beginning Sounds

My Beginning Sound Book
